

## Education

### Netaji Subhas University of Technology

Bachelor of Technology in Information Technology

Dec 2021 - Aug 2025

Delhi, India

### S.M Arya Public School

Class XII

Apr 2019 - Mar 2020

Delhi, India

### P.D.M Public School

Class X

Apr 2017 - Mar 2018

Delhi, India

## Experience

### Ericsson India Global Services Pvt. Ltd.

Network Intern

March 2023 – September 2023

Delhi, India

- Engineered an Excel-based system to catalog and organize network site data for comprehensive analysis and reporting.
- Monitored and maintained operational status of network site infrastructure.
- Collaborate with engineers to troubleshoot network issues and implement solutions.
- Support the team in optimizing network parameters to enhance overall performance.

## PROJECTS

### Memory Game

#### Electronic Project (Arduino Controlled)

- Developed an interactive memory game aimed at enhancing memory skills in children.
- The game utilizes an Arduino microcontroller to control a sequence of lights and sounds, encouraging cognitive development through engaging gameplay.

#### Technologies Used :

- Hardware:** Arduino Uno, LEDs, buttons, passive components (resistors), buzzer.
- Software:** Arduino IDE for programming; utilized C++ for control logic.
- Development Tools:** Fritzing or Eagle for PCB design; prototyping tools.

### Power Bi Project

#### Hospitality Domain

- Developed and Implemented Guest Experience Interactive Dashboards to analyze guest feedback, service performance, and satisfaction metrics.
- Built comprehensive Power BI reports to track and forecast revenue based on historical booking data, seasonality, and market trends.
- Developed financial dashboards to visualize revenue, expenses, and profitability, and to compare budget vs. actual performance.

## Positions of Responsibility

### Spot on Event Head || MOKSHA, Annual Inter College

#### Cultural Fest Mar' 23

Supervised a team of 15 members, skillfully securing sponsorships and overseeing the flawless execution of the event. Skills involved: Event Management, Team Leadership, Sponsorship Acquisition.

### National Service Scheme (NSS) NSUT CELL

- Actively participated in community service projects focused on social awareness, education, and environmental sustainability.
- Organized and facilitated workshops and awareness campaigns on topics such as health, hygiene, and education for underprivileged communities.
- Collaborated with fellow volunteers to plan and execute events, enhancing teamwork and leadership skills.

## Skills

**Languages:** C++(beginner), Java, Python, HTML, CSS, JavaScript

**Technologies:** ReactJS, JavaScript.

**BI Tools:** Power Bi, Tableau, MySQL, Excel.
